Mama what's wrong?
You don't seem so well
Mama I'm scared
Please speak to me
Say something please
Are you just sleeping deep?

Please keep breathing for me
'Cause we need you here
I'll give you my hand
And take you back

Mama I'm afraid
If they'll take you away
Mama I know
You ain't so strong
I wanna touch you once more

Though you're getting so cold

Please keep trying oh
'Cause we love you so
I'll give you my hand
And take you there

Please keep breathing
Won't let you go
I feel so alone

We want you back
'Cause we need you here
Take my hand

We need you here
And we miss you dear
Take me home
