I'm stumbling my way
I'm doing every day
The same old things
I have to do
To keep me sane
To keep me sane

I'm missing every day
I'm missing my own way
But I don't dare to stop myself
Oh I don't dare
Oh I don't dare
Oh I don't dare

Silently you've been watching me so close
You know I can't go on
You've seen it all
But there's nothing you can do
But keep on holding on

I have no strength to try
Though I know the reason why
But what is real and what's unreal
Oh I don't know

Oh I don't know

I'm losing days and nights
I'm losing whole my life
But these old things they keep me here
They keep me here
They keep me here
They keep me here

I'm destroying you just to keep myself alive
My God how far I can go
I'm so lost
But I cannot face the truth
I just keep on moving on

Oh I know I can't go on

And I know what is wrong

Silently watching me
Gradually losing me

In too deep
It's so real
Help me please
Keep me here
