The Queen is sweeping
living is denied
Subjects dreaming between the lines

And you think you're through
You're losing you
but you cannot make your move

And every night (She is waking)
she wakes alive (She is waking)
calling for love (She is calling)
calling for comfort (She is calling)

And through the time (She ain't tired)
she keeps you tired (She ain't tired)
You're staying low (Is it over?)
until it's over for now (Is it over?)

The Queen is sleeping
and everything is fine
Silent after losing her mind

And you think it's time
to stop brusing your nights
for she's got no life

And every night (She is waking)
she wakes alive (She is waking)
calling for love (She is calling)
calling for comfort (She is calling)

And through the time (She ain't tired)
she keeps you tired (She ain't tired)
You're staying low (Is it over?)
until it's over for now (Is it over?)

And every night...
