Will I get angry?
When the sky is gray
So don't ask me for any favors today
Cause I'll wear that moody face all day long
You never knew I was so childish
But I am...

CHORUS:

Do you think you made a good deal?
You will learn I'm not easy to live with...
Do you think you made a good deal
You will learn, you will learn

With one glass of wine, I'm already drunk
And I could pass 2 hours and a half just singing in my
bath
Will I go out at 3 a.m. to walk under the rain?
Maybe you wish I could grow up
But I won't...

CHORUS:

Do you think you made a good deal?
You will learn I'm not easy to live with...
Do you think you made a good deal
You will learn, you will learn

BASS LINE

BRIDGE:

Don't try to speak to me when John Lennon is on the
radio
But could you take my hand until the song is over
I miss you
I'm scared without you

Am I still sleepy?
When the night is done
So don't bother me leave me deaf in my reveries

I'm a painting without feelings
I'm a pencil without words...
And I'm painting fears... on the wall just painting fears
