Red leaves

Oh as time goes by
I can't make up my mind
before I lose my rhymes
on this frozen night

So I tried and I tried
to keep my feelings inside
I miss the lullabies
in your chocolate eyes

Chorus:
Oh If I knew
it wouldn't be you
Oh If I knew
it couldn't be true

May I remember you
the day you left with no regrets
I would've said I love you
but I was afraid of losing you

So I tried and I tried
to keep my feelings inside
I miss the lullabies
in your chocolate eyes

Chorus

Boy I'll be blowing like the red leaves
I think I will
Boy I'll be blowing like the red leaves
I think I will
I'll be feeling like I'm dying just a little more each day
Oh my dear there's not a single tear to hear

Oh as time goes by
I just keep you by my side
before I lose my rhymes
I'm running out of words

Chorus
