Yea.

Yea yea yea

Yea yea yea

Uhh

Yea yea yea

Yea yea yea

Uhh

Fool

Spitta get this whole shit jumpin like

Kangaroo pouch Louis Vuitton

The small things keep me different from these fools

Pull my draw strings

Keep my sweats off of my shoes

I'm a dawg mang keep my paws clean

I ain't fuckin with you at all

Lames is your whole set

Please don't recognize ya'll

Independent acrobatic

Make that loo sommersault

Rememberin my license and restrictions in my moms

car

Came a long way

But I don't got time to be

Sittin at the dock of the bay

Wastin every second

Money can be made out a rhyme

I can do it on the dime

Kick the shit out the beat until it die

Call CSI

I got um runnin scared tryna catch up

57 heinz gregory the dance legend

Make music I'm steppin out

At a major event

Best dressed in attendance

And I never left the house

Right back at it

Like the Pilot get the pot

We can get it crackin in here

Audio Dope
We track traffickin
And they askin for mo is you back again?
And I ain't talking bout practice no mo.
When it's game time show me to the stove
Audio dope
Yea nigga we track traffickin
They askin for mo is you back again?

Greens rolled under the gazzibo
Lemonade level vodka
Badgamon playin Keno
Musical Mafia
Loaded bases bring my Team home I'm the great
bambino
Roulette wheels in the casino
Fat max scammin off the top
But that's the game we in
What you gone do about it huh?
Sacrifice and hit the independent proolly not?
They not like me.
That's why they don't like me
Me I'm like Lee
In my trilla in between
Scenes got the feature girl from the video full of weed
Break your foot tryna kick it like I kick it
Kill yourself tryna live how I'm livin
SPITTA

Right back at it
Like the Pilot get the pot
We can get it crackin in here
Audio Dope
We track traffickin
And they askin for mo is you back again?
And I ain't talking bout practice no mo.
When it's game time show me to the stove
Audio dope
Yea nigga we track traffickin
They askin for mo is you back again?

(All around the world the same song
Cali buzz strong it's that love phase gone
So high tell my neighbors thought I moved out
Because your boy stays gone
Now tell me that I ain't got it and then keep a straight
face punk!)
