[Hook]

Get up bitch, get up bitch, get up bitch

Get up bitch, get up bitch, get up bitch

Get up bitch, get up bitch, get up bitch

Back of the spot smoked out, that's how you find me

Weed clouds around me, bad bitch on side me

Said she wearing shades so she can watch a nigga
shinin

Bottom bitch come out on top

Cause she really ridin, know them tires slidin

Fastest thing in the parkin lot, that's my mama

Now go and get inside it, we ain't buy to your partners

Windows clean and vodka, unattended my silver
bentley

That came with the driver

Back at the crib, ran through hela bitches and I walk in
shower

Tried to be lowkey, but they get smashed too good

They go to talking nobody,

Her best friend was lookin for me

I aww hoppin out that argh, she didn't know what that
was

But I was looking like drugs, to her

In the 3rd lay, pay

Polar bear skin rug, love, you tryina do, say what?

[Hook]

Get up bitch, get up bitch, get up bitch

Get up bitch, get up bitch, get up bitch

Get up bitch, get up bitch, get up bitch

Bitch get up, life

Get up bitch, get up bitch, get up bitch

Get up bitch, get up bitch, get up bitch

Get up bitch, get up bitch, get up bitch

My nickname be moonwalking

Wrist game be bus stoppin

You rangs be 2 steppin, t game be pussy poppin

Smoke good, feel good, walk right, swag up,

Money right, stacked up

Now whoop this nigga more act up

I'm thugged out in this bitch,
Got a whole club at my wrist
Running women and fast cars, I love all of that shit
Whatever you heard about a real nigga
I does all of that shit
East, west, out mid west, I got plugs all in that shit
But uptown's my stomping, dope game be jumping
And we got whatever you needed, all depends on who
wants some
Riding next to my johnson, big dog on my function
Dice game like hockey, I'm confident, I'm cocky
I got bands amongst in my pocket
Credit cards in my wallet, her picture on my dick
And she bouncing up hydraulic
Then that hoe told me she love me
I told her bitch you lie
You don't like me, it's the money
You say that shit all the time

[Hook]

Get up bitch, get up bitch, get up bitch
Get up bitch, get up bitch, get up bitch
Get up bitch, get up bitch, get up bitch
Get up bitch, get up bitch, get up bitch
Get up bitch, get up bitch, get up bitch
Get up bitch, get up bitch, get up bitch.
