I think it's a chain [?] now we can all win  
Rather than complain or rather go Halloween  
Rather holding close don't fall in, I got to have it  
[?] living in the same city limits  
It's a small world everybody in the business  
Don't know if stayin welcome, I [?] 15 minutes being  
quit  
What is this? can somebody explain it  
It's kind of like [?] don't make sense to the ordinary  
nigga  
[?] we maintain [?] what's the world?

Yeah, suck ers act like  
All the good music [?] bitches in [?]  
But I'm still drippin' [?] talking [?] love street  
Haters only hating cause the fact they love me  
Niggas hold budget 'cause I'm hustling  
Hold your breath to your death  
Tell the [?] we say [?] for the machine [?] make me  
sneeze  
[?] hope make it [?] before I leave because [?] down  
stairs just chillin'  
I don't like my outfit, I need two more minutes  
From the magazine 'cause I [?] into your bitch name  
until I search engine  
And [?] speed em.

We keep on tell em babe  
After that you give a [?]  
And everybody wonder what I've made  
I make the dough dance, master of the ceremony  
All of your program  
So let the show proceed, bring on the suckers MC's  
When it's time to feed, so tonight we feed [?] from my  
winners street  
Is superstar nigga [?] the dope [?]  
So when I campaign guess who wanna vote for me  
[?] finally come up the air [?] chillin in the long chair  
[?] the girl with the long hair and I ain't even there.

Fly out, fly out, fly out, fly out [?]
