I got keys comin from overseas  
Ignition foreign exchange lane switchin  
Talk the same shit I said different  
That's the difference  
Them niggas pussy footin

I got keys comin from overseas  
Ignition foreign exchange lane switchin  
Talk the same shit I said different  
That's the difference  
Them niggas pussy footin

I got keys comin from overseas  
Ignition foreign exchange lane switchin  
Talk the same shit I said different  
That's the difference  
Them niggas pussy footin  
They ain't pimpin  
Them bitches just looking and choosin when they see a  
winner  
Smart decision  
Could've been with throwback Jack  
Still ridin spinners  
Flyer than Delta  
I can help ya  
Get your weight up  
Like the spotter raisin the bar and the plates up  
Writin my raps by my trap bitch indicator  
Ass too round and fat to be a fake one  
I'm makin adjustments in preparations  
While my program directors in my city  
Are havin a sleep over in the station  
Pluck my ashes  
Refuse to ass kiss  
Slow mo in a fast whip  
No socks my Stan Smith's  
Summer time in the Winter  
I'm fine my nigga  
Homeboy just livin  
Yea  
Comin at you live

Fly, wicked  
So we can only kick it if you high  
Bitches  
Like they seen it before they recognize  
I keep it G to a T  
That is I  
License my flyness  
Drop jewels from the sky  
That's my crib  
Where I live  
Walk with these  
Jordan 3's  
You'll be aight slick  
Peel off like a New Era sticker  
Out that bitch like a newborn my nigga
