A lot niggas talk shit jet niggas talk rich
Buy another crib pumpin at the drive top in front of that
bitch
F*ck the bitch any bitch who you want take you p
But you gonna have to take your time baby tryin taking
shit
You take advice from your nigga an old G been
through it ..
In the .. chevry man race and slicks and ..got your girl ..
Taking flicks champagne rain on the window circle
This is it yeah man you're with that ..
now this aint' the only thing dope is the rhymes close
the ..mane
no see on the jet that's a ..for what the show the rose to
blime ..
strape triple low like a thousand
oh don't ..down ..
niggas ain't peaceful as me not at all
sold me to the struggle they ..any ball
you try to stack the rise they ..through the foe

my ..payin tricks on me
get up boys where my rich girls twist for me
..bones on their Cadillac's they .. on me
Double ..got my girl put the tickets for me
No charge like myself quit on me
Flight ..to the mamas babies tricking on me
So .. miss and ..don't ever try to f*ck em
You see how they done em couldn't now ..
Reason of security cameras sort coming
Might flirt with a girl but i'm married to the money
.. i'm a proud husband runnin

My Dog the God's we know the evil the ego bleeds
I'm sitting at the round table let me see no beast
If you ain't a lot nigga you won't eat
I won't see your peace your name ain't on the list
You ain't signing that list so may your name on the whip
Go chain your .. know my dick
Play niggas be blaming me I'll blame on the combo
I don't know got some band go on the condo
She in the streets like .. in Chicago

The only time she see interests is ..
Cause gold niggas pay attention when you got dope
They say the time you figure all light ..
I know some niggas on .. so I'm writing winter
Is mister pose for the picture
my wee smell good like a rose in the switcher

we at the .. for lunch
jump out the V with the functions
glass boss spill with punch we killing bills at the wallet
take a pill everybody ..i step up the crib and get out
.. round of applause boy nigga get ball
Let's give an answer powerful man
Ain't claps with a nigga with rats
Ain't givin in back
Stay out the fall like i'm sitting the facts
We can snap the .. and climb inside of my ..
D with the brush guards especial the love cars
Niggas step ..what's up
