Visit "[Run Dat Shit](#)" on MotoLyrics.com

[Hook:]

When I'm off in the zone my niggas tellin me run dat
shit

Run dat shit

Run dat shit

When I'm off in the zone my niggas tellin me

[Verse 1:]

Shit for high priced SUVs

Long nights palm trees

Cuff link sleeves

Them niggas ain't these

Extraordinary gentleman

This is the league

Wrinkle free

Pimpin my stocks crate like 915

Jet cole make watergate look like a hair-brain scheme

Your hoes wanna be taken no leaving this [?]

And on the scene

Blue waters

White sands

Sticky green

Enough niggas talk shit

Jet niggas talk rich

Porches, fortress, horses afford this

Then try step up

Ya'll got me messed up

Basketball shorts on red carpet

My girl dressed up, and I'm coolin

I'm just at the premier cause my homeboy was in the
movie

I would be hoopin on my front yard point guard shit

With my neighbors son OG shit I do cause I truly am
one

[Hook]

[Verse 2:]

And they still trying to build that case

Want me to pay for murdering all these tapes

What can I say it's still money over bitches

We stick to the script here

Magazine pictures
Credit every stitch that I wear
Never been one of those caught up in the fab
They say it's out of style
I bring that shit back
Designers know it makes sense to chop it and burn
hash
And let me skim through their next season sketch pad
I'm never mad
Just mad high my guy
From this altitude you wipe a doves tears when they cry
The forefather of the fly
No paternity test your style got my eyes left
And it's Jets til the motherfucking next
Life
So sweet candy stripes on my Vette
If I say it I show it
You think I get it for free how I smoke it
My dude wanted loot but he tossed me a few free O's
and shit
All these rappers need is a hook to go and fish
For crappy deals but I'm way too real
Muthafuckas kept half assing until
Warner Bros. came to the table
With the table
Now there's room for my whole set
Now my niggas able
Eat til we got the itis
Bitch we on fire
Marlo on the screen yeah bitch we on the wire
You talking too much bitch go sit up there with the
driver
