Oh my darling we're meadowing now, oh love is bold in  
the  
Cricketing fields  
And a sly part of night gets down to get up, oh bright  
Light sing me a song, on and on.

Oh, de da  
Oh, I know

Oh my love this is our town, where gray cloud wander  
over  
Heaven and ground  
Oh, my love it's difficult times, mistakes I've made

Escape like birds from a line, on and on.

Oh, thinking of heaven, oh thinking it's night  
Oh, thinking of heaven, oh maybe next time.

Oh thinking of heaven, oh thinking it's night  
Oh, thinking of heaven, oh maybe next time, next life  
Down the road.
