[verse 1]

bitches on chemicals  
moving bodies, sensual, sexual  
cynical, octopussy killer tentacles  
drown many of clown nigga  
bitches'll do it to ya every time  
ashes and ink every line  
you'll swear i live the pimp life more than a couple  
times  
the way i get in they minds without ever spending  
mines  
take a boss out to eat weak bitch, i want surf and turf  
steak  
big shrimps, hundred percent ??  
if i'm in the building, your ho's trailing my scent yo  
you know

[hook]

let me park my whip so i can get out and talk my shit  
let me park my whip so i can get out and talk my shit  
(life) life (life)  
(roll something)

[verse 2]

audio dope  
overdose, you'll go out like scatter man  
watch classics, learn from the masters  
extract data man  
i got the pounds and the million dollar plans  
grand steering wheel in my hand  
mama next to me rubberbanding up them grands  
finna to hit the car lot  
cop two champagne sedans  
bitches drunk wanting to fuck, i'm sitting on the trunk  
rolling one up  
come on - we can ride  
burn trees down, switch cars on the east side  
vercetti andretti, corleone family  
watches heavy, strong arms  
snatch the world, carry it home  
me and my girls break a piece off, stuff it in a bong

hit the couch, turn the game on  
yea, homes

[hook]

let me park my whip so i can get out and talk my shit  
let me park my whip so i can get out and talk my shit  
(life) life (life)  
(roll something)
