[Chorus:]

I guarantee you leave the club with us you won't be the  
same  
they can't help it c'mon these bitches know it's The  
Planes  
let all my money talk for me, what more can I say  
that money will be seen, as soon as I put my key  
you put your key in, money we'll be seein'  
we'll reach the fuckin' ceilin', yeah yeah yeah yeah  
I put my key, you put your feet in, money we'll be seein'  
we'll reach the fuckin' ceilin', yeah yeah yeah yeah

[Curren\$y:]

My car ride by without the boomin' system  
I'd rather spend that loot on my engine  
oh, hail to the chief, I been one helluva indian  
but settlin' in teepees ain't sittin' well with me see  
I need plenty green acres  
and easy wider papers  
got the OG game in me ??  
??  
??  
I played her, but you treat her right  
sucka what I get in one night  
you wait a couple months for  
you love her, I cut up  
she woke and only weed crumbs on the cover  
yeah spitta did her like that  
just like I said it in my raps  
said I fuck you good and disappear, ain't that what i  
did?  
niggas talkin' down on the planes better shut up  
I'm fed up, waitin' on valet to pull my vet up  
you better get up  
trynna be cute bitch I'mma leave you  
her home girl she said "please" too,  
she no crazy

[Chorus]

[Wiz Khalifa:]

Drunk nights goin' through my phone tryna figure out  
which one I want to get at  
you already home cookin' and grindin' my weed for  
me, I just left the club but I'll be there in a minute  
take the lock off the door  
and that way you won't have to listen for me  
oh yeah, and leave some light on in the kitchen darlin'  
I mess with the baddest hoes  
gotta go overseas to buy their clothes  
trees she got 'em rolled  
don't gotta deal with jealousy cause she not involved  
ain't trippin' on her man cause she got her own, yeah  
independent as can be still I'm the one they're calling  
be there then I'm in the wind no breakfast in the  
morning  
phil, I'm in and out like it's fast food  
people get to know me say I'm more than just a rap  
dude  
pay the cost to be the boss - no tax due  
now my money feelin' like it's tattooed

[Chorus]
