Before I have to kill somebody  
Before somebody ices me  
Are you with me?  
You never really saw the bullet coming  
No type of instinct for running  
I wish you would came with me to London  
I never knocked this hustle!  
I was the one that gave a muscle  
And showed them about to make a missile  
Snap a.. only by the thorns  
Against the BBA got aâ€¦  
Defeat Tina, look, I keep.. on your waste line  
A few thoughts, and they really wanna cease mine  
Why they wanna replace mine?  
Shots to kill her, when I chase mine!  
I won't bullet proof transport evenâ€¦; who mad mine  
Smoking that red pine and save mine  
I had to seek you  
Now I'm one of the ones that will speak it!  
I will never go down, no!  
Mother fucker I will fall!  
Yeah, life was neverâ€¦; the vice replied  
â€¦;but the game was tighter  
Al Pacinoâ€¦; Michelle Pfeiffer  
Also about the action, because they was actors  
This real shit is tragic, homie them automatics is  
actually clapping  
We gonna have to pour liquor if you can't move a lil  
faster  
They will spare your sister out of respect,  
but they ain' getting at her  
Cause you gone home, it don't matter  
Shit cold as fuck, and we know every day happens  
Some people never knew until the first 48 came  
through the television  
But my niggas really living in theâ€¦;  
You didn't see it coming  
No type of instincts for running  
I wish you would came with me to London  
You didn't see me coming! (x4)
