I'm not new to this I grew in this  
Jet pimpin, 420 vision maneuverin  
Not injured though limp in when I walk  
That's that mack julian who's cooler than  
Broke bitches don't waste time pursuin them  
I like my chicks speedy bag mini cooperin  
Karma loop and shit  
I could use you bitch  
I see something in you we could blow up like time  
bombs  
If you got an open mind we could post for a moment  
But not now  
Your homie try'na do a little bit more for ya ma

So it would behoove you to play it cool  
Fake quality time with dude  
Laugh at his jokes cause he far from broke  
Fleecin for his dough  
Already sent equipment for us put it in the studio  
But we not sure who we know  
So we gotta keep it on the low  
Keep him in the blind and you could sneak out every  
night  
Get ya back to ya house before the sun come up  
I bet homie don't know what's what  
Get ya back to ya house before the sun come up  
Homie won't know what's what
