Ooo, you're giving me the fever tonight  
I don't want to give in I've been playing with fire  
You forget I've seen you work before  
Take them straight to the top and leave them crying for  
more  
I've seen you burn 'em before

Chorus:

Fire and Ice  
You come on like a flame  
Then you turn a cold shoulder  
Fire and Ice  
I wanna give you my love  
But you'll just take a little piece of my heart  
you'll just tear it apart

Moving in for the kill tonight  
You've got every advantage when they put out the  
lights  
It's not so pretty when it fades away  
Cause it's just an illusion in this passion play  
I've seen you burn 'em before

Chorus:

Fire and Ice  
You come on like a flame  
Then you turn a cold shoulder  
Fire and Ice  
I wanna give you my love  
But you'll just take a little piece of my heart

So you think you got it all figured out  
You're an expert in the field without a doubt  
But i know your methods inside and out  
And i won't be taken in by Fire and Ice

Chorus:

Fire and Ice  
You come on like a flame  
Then you turn a cold shoulder  
Fire and Ice  
I wanna give you my love

But you'll just take a little piece of my heart  
you'll just tear it apart

(until fade)
