They cry in the dark, so you can't see their tears  
They hide in the light, so you can't see their fears  
Forgive and forget, all the while  
Love and pain become one and the same  
In the eyes of a wounded child  
Because Hell  
Hell is for children  
And you know that their little lives can become such a  
mess  
Hell  
Hell is for children  
And you shouldn't have to pay for your love with your  
bones and your flesh

It's all so confusing, this brutal abusing  
They blacken your eyes, and then apologize  
You're daddy's good girl, and don't tell mommy a thing  
Be a good little boy, and you'll get a new toy  
Tell grandma you fell off the swing

Because Hell  
Hell is for children  
And you know that their little lives can become such a  
mess  
Hell  
Hell is for children  
And you shouldn't have to pay for your love with your  
bones and your flesh

No, Hell is for children

Hell  
Hell is for hell  
Hell is for hell  
Hell is for children

Hell  
Hell is for hell  
Hell is for hell  
Hell is for children

Hell

Hell is for hell  
Hell is for hell  
Hell is for children

Hell is for children  
Hell is for children
