I need a lover that won't drive me crazy

I need a lover that won't drive me crazy  
I need a lover that won't drive me crazy  
I need a lover that won't drive me crazy

Someone that knows the meaning of... 'Hey hit the highway'

Well I've been walking the streets in the evening  
Racing through this human jungle at night  
I'm so confused, my mind is indifferent  
Hey... I'm so weak, won't someone shut out that light  
Electricity runs thru the video  
And I watch from this hole I call home  
And all the stonies that are dancin' to the radio  
I got the world calling me tonight on the phone

I need a lover that won't drive me crazy  
someone that will thrill you and then go away  
I need a lover that won't drive me crazy

Someone that knows the meaning of... 'Hey hit the highway'

Well I'm not wiped out by this poolroom life I'm livin'  
But I'm gonna quit my job, and go to school, and head back home  
Now I'm not asking to be loved or be forgiven  
I just can't face shakin' in this bedroom one more night alone

I need a lover that won't drive me crazy  
I need a lover that won't drive me mad  
I need a lover that won't drive me crazy

Someone that knows the meaning of... 'Hey hit the highway'

I need a lover that won't drive me crazy  
Someone to thrill me, and then go away  
I need a lover that won't drive me crazy

I need a lover that won't drive me crazy  
I need a lover that won't drive me mad  
I need a lover that won't drive me crazy

Someone that knows the meaning of... 'Hey hit the  
highway'
