INTRO (and CHORUS):

We are young, heartache to heartache we stand  
No promises, no demands  
Love is a battlefield  
woh woh woh woh woh woh woh wohh

We are strong, no one can tell us we're wrong  
Searchin' our hearts for so long, both of us knowing  
Love is a battlefield

you're making me go, then making me stay  
Why do you hurt me so bad?  
It would help me to know, do I stand in your way  
Or am I the best thing you've had?  
Believe me, believe me, I can't tell you why  
But I'm trapped by your love, and I'm chained to your  
side

We are young, heartache to heartache we stand  
No promises, no demands  
Love is a battlefield  
We are strong, no one can tell us we're wrong  
Searchin' our hearts for so long, both of us knowing  
Love is a battlefield

We're losing control, will you turn me away  
Or touch me deep inside?  
And if all this gets old, will it still feel the same?  
There's no way this will die  
But if we get much closer, I could lose control  
And if your heart surrenders, you'll need me to hold
