Whatcha' tryin' a do to my heart
Whatcha' tryin' a do to my heart
You go around tellin' lies
And now you want to compromise
Whatcha' tryin' a do to my heart
You better run
You better hide
You better leave from my sight
Yeah

Whatcha' tryin' a do to my soul
Whatcha' tryin' a do to my soul
Well everything I had was yours
And now I'm closin' all the doors
Whatcha' tryin' a do to my soul

You better run
You better hide
You better leave from my sight
Yeah

I love you oh, I love you so
Can't you see it
Don't you know
I can't stand your alibis
Your tellin' lies, you drive me wild
Yeah

I said, what are ya tryin' a do to my head
Said, whatcha' tryin' a do to my head
Well now I've gotta draw the line
Cause you ain't gonna take my mind
What are ya tryin' a do to my head

You better run You better hide
You better leave from my sight
You better run You better hide
You better leave from my sight
Let me go
Yeah

I said go away, and leave me alone

I can't stand you no more
