Sunshine, blue skies, please go away
My girl has found another and gone away
With her went my future, my life was filled with blue
So day after day I stay locked up in my room

I know to you it might sound strange
I know to you it might sound strange
But I wish it would rain
How I wish it would rain, rain, rain, rain
How I wish it would rain, rain, rain, rain

Hurts so badly, I want to go outside
But everyone knows that a man ain't supposed to cry
Listen, I've got to cry because crying eases the pain
Even this hurt I feel inside even words couldn't explain

I just wish it would rain
How I wish it would rain, rain, rain, rain
How I wish it would rain, rain, rain, rain

Hurts so badly, I want to go outside
But everyone knows that a man ain't supposed to cry
Listen, I've got to cry because crying eases the pain
Even this hurt I feel inside words couldn't explain

I just wish it would rain
How I wish it would rain, rain, rain, rain
How I wish it would rain, rain, rain, rain
Oh let it rain, good God let it rain
How I wish it would rain, rain, rain, rain
