Kiss me each mornings for a million year  
Hold me each evenings at your side

Tell me you love me for a million year  
Then if it don't work out  
Then it it don't work out  
Then you can tell me goodbye

Sweeten my coffee with a morning kiss  
Soften my dreams with your sigh

Tell me you love me for a million year  
Then if it don't work out  
Then if it don't work out  
Then you can tell me goodbye

Oh but if you must leave without saying goodbye  
Then it's the right time to say it now  
But if you must go, I won't tell you no  
So we can say that we tried

Tell me you love me for a million year  
Then if it don't work out  
Then if it don't work out  
Then you can tell me goodbye

Oh if it don't work out  
Baby I'd like to know  
I said I love, love love love love love  
I said I love you so  
I said I need you
