I wake up almost every day  
I greet the moonlight the same sad way  
I go back to bed just after dawn  
Yes, things are different since you've been gone

There have been some sleepless nights  
Some sleepless afternoons  
There have been some sleepless mornings too

But I'll get over  
I'll get over  
I'll get over you

Well, I feel all right, no I don't  
I'll go out tonight, no I won't  
For I am strong, no I'm not  
I can hardly stand all this pain I've got

Well, it make take a week, a month, a year  
Or maybe four  
It may be the hardest thing I ever do

But I'll get over  
I'll get over  
I'll get over you

I'll get over  
I'll get over  
I'll get over you

And if I don't  
Then I don't

I'll get over  
I'll get over  
I'll get over you
