Where women roar and and men thunder

-Bonnie Tyler - Total Eclipse of the Heart-  
Once upon a time I was falling in love  
Now I'm only falling apart  
There's nothing I can do  
Total eclipse of the heart  
Turn around bright eyes  
Every now and then I fall apart  
Turn around bright eyes  
Every now and then I fall apart  
And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
Well be holding on forever  
And we'll only be making it right

Cause we'll never be wrong together

-Flashdance - Maniac-  
She's a maniac, maniac

I was working part time at a five-and-dine  
My boss was Mr. McGee  
He told me several times that he didn't like my kind  
'Cause I was a bit too leisurely  
Seems that I was busy doing something close 2 nothing  
But different than the day before  
That's when I saw her, Ooh, I saw her  
She walked in through the out door, out door  
She wore a raspberry beret  
The kind you find in a second hand store

Raspberry beret  
And if it was warm, she wouldn't wear much more  
Raspberry beret  
I think I love her

We are the world

It's true we make a brighter day

-Violent Femmes - Blister in the Sun-  
When I'm a walkin' I strut my stuff

Let me go on big hands I know you're the one
