It's a long day, stuck behind these walls
When will it end
I'll try to pretend, that maybe someday
I'll get to leave it all
I'm gonna give in but
I don't know when
Something's there that i can't see
Save me from misery
Walking down Fifth Avenue
I looked up and I saw you
Oh, Annabel
I never thought I'd see the day
Oh, Annabel
You light me up in a brand new way
All is well
Annabel
Now I like the rainy days
Stayin' inside, just you and I
Good-bye, I never want to say
I want you to know
I'll never let go
Id there's a day I'm without you
Think about Fifth Avenue
I'll do what I'll have to do
As long as I come home to you
Oh, Annabel
I never thought I'd see the day
Oh, Annabel
You light me up in a brand new way
All is well
Annabel
You give me all I'll ever need
I know that you were meant for me
Baby, I'm the lucky one
I'll scream out to everyone
and I'm sayin'
Oh, Annabel
I never thought I'd see the day
Oh, Annabel
You light me up in a brand new way
Oh, Annabel
You help me make it through the day

Oh, Annabel
You light me up in a different way
Oh, my bel'
All is well
Oh...My Annabel
