Everyone forgot about little Kharrrrarrah  
Sitting alone, in a silver tiara  
A good little boy looked just like his father  
Running with scissors and tearing his dress  
Little Kharrrrarrah oh what a mess

Outside, I'll hide  
Outside, I'll hide while you fuck her  
Outside, I'll hide  
Outside, I'll hide while you fuck her

Daddy forgot about little Kharrrrarrah  
Hating his baby  
A good little boy looked just like his father  
Wearing his make-up was murdered in bed  
Little Kharrrrarrah oh what a mess

Outside, I'll hide  
Outside, I'll hide while you fuck her  
Outside, I'll hide  
Outside, I'll hide while you fuck her
