They wear the face of angels but corruption rules their
twisted mind of a nation been led astray, cheated and
betrayed.

Strike down the force that compels our rage.

Confine the greed that deprives us our strength.

It's time we see through their lies.

Turn the tide of devastation.

All kneel for the plague is here.

The sickness infiltrates mankind's world.

Obeys the darkness of deceit that leaves a million dying
screams unheard.

Is stand by and watch all that we can do?

Gain on our ignorance, they steal our souls.

But I won't let them steal mine.

They wear the face of angels, but leave the truth buried
deep.

Eradicated traces, beautiful facades ensure the mass
eternal sleep.

Numbed conditions in greedy minds, twisted, scarred
from dollar signs has sealed the doom of this dying
race as we head for our demise.
