"In Honor's Name"

The followers of false leaders have chosen the easiest
course our
Defiance in the face of this insurmountable force
battles
Escalation complete annihilation death is certain in
honor's name
Sin overflowing we'll die knowing path of resistance
brings no
Shame through countless years wrecks and tears we've
built this to

Defy and with the strongest of wills we will fight for the
truth
Tonight with the strongest of will we're prepared to die
for the
Truth tonight to die is gain - take it to your grave to die
is
Gain - to die in honor's name to die is gain - to die in
honor's
Name to die is gain - take it to your grave
