[lyrics: Cyklo, music: Hary]

Violent death of disfigured victim  
Purulent succulent carrion  
Infestation by swarming maggots  
Repulsive stench of putrefaction

Scarification of exuberant bosom  
Corpse drenched by rancid blood

Eulsion of fermenting intestines  
Minced stumps of hands  
Grinding of crumbling brain  
Bisected moulding cranium

Ripped bursted rib cage  
Laceration of rigid stomach  
Carbonization of fossilized torso  
Cremation of septic mortal remains.
