There's a ghost in my bed  
She cries in her sleep  
She says I won't let her leave  
I lie perfectly still  
As she stifles her tears  
I don't want to disturb her

'let go, let go - please let me be  
Look at the ghost you've made of me'

Dush dropped her starry gown  
I whispered out  
"sweetie, are you here with me? "  
The mirror chrashed on the dresser  
And she began to scream  
"bloody murderer! let me rest in peace!"  
"when I was yours, you fled the scene,  
Now you can't wash your hands of me."

Bloody murder  
You can't here the screams
