I know you belong
To somebody new
But tonight you belong to me

Although we're apart
You're part of my heart
And tonight you belong to me

Way down by the stream
How sweet it will seem
Once more just to dream
In the moonlight

My honey I know with the dawn
That you will be gone
But tonight you belong to me

Way down way down along the stream
How very, very sweet it will seem
Once more just to dream
In the silvery moonlight

My honey I know with the dawn
That you will be gone
But tonight you belong to me
Just to little old me
