"Thara - You want it"

Ooh Ooh
There's a storm, Thara

You should have seen the look upon you face
As I waved high
Had you hands moving all around the place
Up and down her tights
Guess you would expecting me, see that was always on
my place
Now it's time for me to find another man

You say you want it, you need it
Boy you had it, I'm leaving
Uh oh Uh oh Uh oh
Now your sitting there all by yourself

I dont need you, dont want you
??
I see through uh oh uh oh
You'll never see this ass again

Never thought that we would end like this
Or say goodbye
I know that you come back to me
Cuz your miss my smile
Finally see, how you are dreaming
So now your on your own

You say you want it, you need it
Boy you had it, I'm leaving
Uh oh Uh oh Uh oh
Now your sitting there all by yourself

I dont need you, dont want you
??
I see through uh oh uh oh
You'll never see this ass again

Rap

You say you want it, you need it
Boy you had it, I'm leaving
Uh oh Uh oh Uh oh
Now your sitting there all by yourself

I dont need you, dont want you
I see through uh oh uh oh
You'll never see this ass again
