Verse 1 [Pato Pooh]

OK, IÂ'm feeling retro like bringing it back (rewind)

You heard an echo thatÂ's me bringing it back (no
lying)

IÂ'm finna let ya know what IÂ'm a hit you with

Get ready pull them switches no wishes go no confetti
bitches

Just bring ya a game IÂ'm a bring my game strong

Blow on the cassette let motherfuckers know the
(game's on)

They canÂ't grasp the talent, the energy

Cus they're whack, they get gasp in a flash
immediately,

See, me. I will last forever, theyÂ'll be last forever

Yeah they wrap like folding sweaters

Your boy not playing IÂ'm planning on staying ranked

MVP player you playing without a chance

(Pato Pooh is from the)

[Chorus]

[Verse 2: Adam Tensta]

(Tensta)

If you wanna bring it home to the blue line

Then you know that it's either or

We got the projects on out shoulders

Like we carrying hood like the shaft on the wheels of a
car

Get it.. 163 I'm a representer

On my 26th and I'm only getting better

While you were joking round like you was Heath Ledger
I was in the cut under my umbrella
I made it poor that's a double meaning you listenin'
Meaning my songs and pockets I made some divides
And just to think that they asked why you even rap
Pato, you should tell'em that we are bringin' it back
And we do it for the kids on the corner they throwing
stones
Cause they ain't got shit to do when they are sittin' at
home
And everybody need a voice they only doing it because
Then you might listen and notice where these kids are
from
(Adam Tensta is from the)
[Chorus]
[Verse 3: Pato Pooh]
Look IÂ'm out to punish emceeÂ's, ya poik superman
on these beats
My flow is Christopher, B.I.G. Rios and Reeves
IÂ'm in a league all by my lonely, the only one bringing
heat
IÂ'm spitting fire on these crackers like it's new years
eve
See, we sparked it in the o8, blew up like the world
trade
Ahbow did it for us, yeah bumped us up to first place
They heard word about a fat kid (Were he at)
They heard he wasnÂ't on some pop shit (Yo he can
rap)
Pato Pooh he 'bout the truth when he writes
Break you the news like a reporter from the booth with
a mic
So look, from now on, you can call me Mikay
Cus IÂ'm the future of hip hop like proof in disguise
I'm from the..
[Chorus]
