What's with this heartbreaker?
It's a game and the winner must take her
Feed me these lines and tell me I'm fine when you
knew all along that you were mine
And now, you say I'm out of line
You're running out of time

And can we go back, to where we started at?
(Just listen I know, you're feeling fine)

Now her phone it stops ringing
There's no hope for this girl but you'll keep it
Feed me these lines and tell me I'm fine when you
knew all along that you were mine
And now, you say I'm out of line
You're running out of time

Can we go back, to where we started at?
(Just listen I know, you're feeling fine)
And now I'm sorry, the blame it's all me
Don't say I didn't try
(Just listen I know, you're feeling fine)

Bottom's up B, bottom's up, here we go
Bottom's up B, bottom's up, here we go
Bottom's up B, away we go

Bottom's up B, bottom's up, here we go
Bottom's up B, bottom's up, here we go
Bottom's up B, here we go
And here we go
And here we go
And here we go
Here we go

Can we go back, to where we started at?
(Just listen I know, you're feeling fine)
And now I'm sorry, the blame it's all me
Don't say I didn't try
Just listen I know, you're feeling fine
