[Shaun]

This is when the best act in town

[Colin]

Like ashes to ashes they all fall down

[Shaun]

We'll all come and watch the play today

[Colin]

And pray for this day

[Shaun]

We'll start two, one on my count

We'll start that count right about now

Three two one

[Colin]

Lights Camera Action

[Shaun]

Alright lets make something clear

[Colin]

I'm the star and I'm the only star that's here

[Shaun]

The only one that would give it his all

[Colin]

The only one that takes the fall

[Shaun]

It's time to perform to thousands looking on and on at
you

Now that we're ready to for my go

Ladies and gentlemen enjoy the show

[Colin]

And we all have a dream

In every act and every scene

Well there's got to be a star

And I'm the only star so far(x2)

Ring around the rosies with pockets full of posies
Step backwards backwards backwards and we'll stay
off the ground (x2)

And she screams like a bullet going through a forest of
trees

And she begs for forgiveness when it went straight
through her bottom teeth

[Shaun]

It's time to perform to thousands looking on and on at
you

Now that we're ready for my go

Ladies and gentlemen enjoy the show

[Colin]

And we all have a dream

In every act and every scene

Well there's got to be a star

And I'm the only star so far(x2)

Ring around the rosies with pockets full of posies
Step backwards backwards backwards and we'll stay
off the ground (x2)

[Shaun]

It's time to perform to thousands looking on and on at
you

Now that we're ready for my go

Ladies and gentlemen enjoy the show

[Colin]

Ring around the rosies with pockets full of posies

Step backwards backwards backwards and we'll stay
off the ground (x2)
