Ambitions raised, my head is held up,  
and I'm never looking down.  
Struggling through life, with no reason to live.  
How can you still trust someone that's failed so many  
times.  
Don't give up on me, because I never gave up on you.  
Lift me up.  
I'm keeping hope in me heart.  
These idols mean nothing to me.  
I'll bring you down, to the ground where you belong.  
You mean nothing to me.

You take my strength, and my mind, these idols mean  
nothing to me.  
You'll get me through anything.  
Using my strength and mind, you'll get me through  
anything.  
You'll get me through anything.  
Don't give up on me.  
Don't worry about me, because I'll always keep my  
head up high.  
Through thick and thin,  
Keep my head up high,  
I'll never lose hope.
