Don't you blame me  
For wanting you  
Don't you blame me  
For wanting you

Baby you just don't know  
How I act when you are near  
You just won't let me show  
That my feelings are sincere

Though you don't notice me  
I'm so much in love with you  
Darling you're just too much  
I like the way you do what you do  
Yeaheayeayeayeah

Don't you blame me  
For wanting you  
Don't you blame me  
For wanting you  
Don't you blame me  
For wanting you  
Don't you blame me  
For wanting you

Now when I try to talk to you  
To learn just what you're all about  
Just as I thinking I getting through  
You turn around then shut me out

I can't stop loving you  
The truth is that I like your style  
You're always on my mind  
Can't you see you're drivin me wild?  
OUhOUhOUHOUHOUH,

Don't blame me  
For wanting you  
Don't you blame me  
For wanting you

Baby when I look into your eyes  
And I catch you by surprise,  
Don't you blame me?

All I really want is you  
Cause I like the things you do  
Don't you blame me?

I am so in love with you  
I tell you 'cause it's true  
Don't you blame me?

'Cause I want you for my baby  
And I'm really going crazy  
Don't you blame me?

Humhmmhmh
