Where do I begin, to tell the story of how great a love
can be
The sweet love story, that is older than the sea
The simple truth, about the love she brings to me
Where do I start ?
With her first hello, she gave a meaning to this empty
world of mine
There'd never be another love, another time
She came into my life and made the living fine, she fills
my heart.

She fills my heart with very special things
With angel songs, with wild imaginings.
She fills my soul with so much love
That anywhere I go, I'm never lonely.

With her along, who could be lonely, I reach for her
hand
It's always there, how long does it last ? Can love be
measured
By the hours of a day ? I have no answer but this much I
can say
I know I'll need her, till the stars all burn away and she'll
be there.
