love takes up my mind by Patricia Paay  
Love can be good, can be sad  
And it keeps on going thru' my heart  
Oh love me and I give my heart forever  
So that I will leave you never  
If you only cared for me I'll make you

Love me like a flower love the sunshine  
And I make life taste like good wine  
If you only cared for me

Take my hand and you will understand  
Into my eyes you will see and you will find  
How love takes up my mind  
Oh it's so unfair

Love me and I give my heart forever  
Love me now and leave me never  
If you only cared for me  
I'll make you love me
