Someday My Prince Will Come by Patricia Paay

Some day

Some day

Some day

Some day my prince will come

Some day I'll find my love

And how thrilling that moment will be

When the prince of my dreams comes to me

He'll whisper "I love you"

And steal a kiss or two

Though he's far away I'll find my love some day

When my dreams come true

Some day

Some day

Some day

Some day I'll find my love

Someone to call my own

And I'll know him the moment we meet

For my heart will start skipping a beat

Some day we'll say and do

Things we've been longing to

Though he's far away I'll find my love some day

When my dreams come true

My prince will come

He will come

My prince will come

He will come

Some day

Some day

Some day

Some day my prince will come

Some day I'll find my love

And how thrilling that moment will be

When the prince of my dreams comes to me

He'll whisper "I love you"

And steal a kiss or two

Though he's far away I'll find my love some day

When my dreams come true

Some day

Some day

Some day
