Tomorrow by Patricia Paay
The sun will come out tomorrow
Bet your bottom dollar that tomorrow there'll be sun
Just thinkin' about tomorrow
Clears away the cobwebs and the sorrow 'till there's
none

When I'm stuck with the day that's gray and lonely
I just stick out my chin and grin and say

Tomorrow, tomorrow
I love you tomorrow
You're always a day away

Tomorrow, tomorrow
I love you tomorrow
You're always a day away

The sun will come out tomorrow
Bet your bottom dollar that tomorrow there'll be sun
Just thinkin' about tomorrow
Clears away the cobwebs and the sorrow 'till there's
none

When I'm stuck with the day that's gray and lonely
I just stick out my chin and grin and say

Tomorrow, tomorrow
I love you tomorrow
You're always a day away

(Tomorrow, tomorrow
I love you tomorrow
You're always a day away)

Tomorrow, tomorrow
I love you tomorrow
You're always a day away

(Tomorrow, tomorrow
I love you tomorrow)

You're only a day away
