Who's that lady with my man
Who can she be ooh with my man
What's she doing with my man
What can he see ooh my man

He wouldn't she couldn't
He wouldn't she shouldn't
Why should he do this to me
I hate him for lying
I hate her for trying
To steal my man from me

Don't do it, don't do it
Don't take this other lover
How could you, how could you
How could you love another?
Don't do it, don't do it
I love you, I love you
Tonight, we'll be fine
I'll be yours, you'll be mine
Tonight ooh tonight
I'll be your loer ooh tonight

What's the matter with my man
What can it be ooh with my man
I've done everything I can
What's wrong with me ooh my man
