Baby do you understand me now  
If sometimes I feel little mad  
Don't you know that no one alive can always be an  
angel?  
When everything goes wrong I seem so bad  
But I'm just a soul whose intensions are good  
Oh Lord, please don't let me be misunderstood  
You know sometimes baby I'm so carefree  
With a joy that's hard to hide  
And then sometimes again it seems that all I have is  
worry  
And then you bound to see my other side.  
But i'm just a soul whose intentions are good  
Oh Lord, please don't let me be misunderstood  
If I seem edgy  
I want you to know  
I never meant to take it out on you  
Life had its problems  
And I haven't my share  
That's me one thing I never mean to do  
Oh oh oh oh baby  
I'm just human  
Don't you know I have thoughts like any one?  
Sometimes I find myself alone regretting  
Some little foolish things  
And simple things I've done  
But I'm just a soul whose intensions are good  
Oh Lord, please don't let me be misunderstood  
Don't let me be misunderstood
