Even though it's been so long  
My love for you keeps going strong  
I remember the things that we used to do  
A kiss in the rain 'til the sun shine through  
I try to deny it but i'm still in love with you  
I miss you like crazy, I miss you like crazy  
Ever since you went away, every hour of every day  
I miss you like crazy, I miss you like crazy  
No matter what I say or do  
There's just no getting over you  
I can see the love shining in your eyes  
And it comes as such a sweet surprise  
I seein' 's believing it's worth the wait  
So hold me and tell me it's not too late  
We're so good together, we're starting forever now  
I miss you like crazy, I miss you like crazy  
Ever since you went away, every hour of every day  
I miss you like crazy, I miss you baby  
A love like ours will never end  
Just touch me and we're there again  
Just one night  
And we'll have that magic feeling like we used to do  
Hold on tight  
And whatever comes our way we're gonna make  
it throuth  
If seein' 's believing it's worth the wait  
So hold me and tell me it's not too late  
We're so good together, we're starting forever now  
I miss you like crazy, I miss you like crazy  
No matter what I say or do  
There's just no getting over you  
I miss you, I miss you  
When a feeling get's this strong  
You know the real thing comes along  
And I miss you I miss you  
I miss you like crazy baby  
Only your sweet love can save me  
I miss you I miss you
