Thinkin' back in time
When love was only in the mind, I realized
Ain't no second chance
You've got to hold on to romance
Don't let it slide

There's a special kind of magic in the air
When you find another heart
That needs to share

Baby, come to me
Let me put my arms around you
This was meant to be
And I'm, oh, so glad I found you

Need you everyday
Got to have your love around me
Baby, always stay
'Cause I can't go back to living without you

Spendin' every dime
To keep you talkin' on the line
That's how it was
And all those walks together
Out in any kind of weather just because

There's a brand new way
Of looking at your life
When you know that
Love is standing by your side

Baby, come to me
Let me put my arms around you
This was meant to be
And I'm, oh, so glad I found you

Need you everyday
Got to have your love around me
Baby, always stay
'Cause I can't go back to living without you

The night can be cold

There's a chill to every evening
When you're all alone
Don't talk anymore
'Cause you know that
I'll be here to keep you warm

Baby, come to me
Let me put my arms around you
This was meant to be
And I'm, oh, so glad I found you

Need you everyday
Got to have your love around me
Baby, always stay
'Cause I can't go back to living without

Come to me
Let me put my arms around you
This was meant to be
And I'm, oh, so glad I found you

Need you everyday
Got to have your love around me
Baby, always stay
'Cause I can't go back to living without you

Come to me
Let me put my arms around you
This was meant to be
And I'm, oh, so glad I found you

Need you everyday
Got to have your love around me
Baby, always stay
