Thinkin' back in time when love was only in the mind  
I realize ain't no second chance  
You got to hold on to romance, don't let it slide  
There's a special kind of magic in the air  
When you find another heart that needs to share

Baby, come to me, let me put my arms around you  
This was meant to be and I'm, oh, so glad I found you  
Need you every day, got to have your love around me  
Baby, always stay, 'cause I can't go back to living  
without you

Spendin' every dime to keep you talkin' on the line,  
that's how it was  
And all those walks together, out in any kind of weather  
Just because there's a brand new way of looking at your  
life  
When you know that love is standing by your side

Baby, come to me, let me put my arms around you  
This was meant to be and I'm, oh, so glad I found you  
Need you every day, got to have your love around me  
Baby, always stay, 'cause I can't go back to living  
without you

The night can be cold  
There's a chill to every evening when you're all alone  
Don't talk anymore  
'Cause you know that I'll be here to keep you warm

Baby, come to me, let me put my arms around you  
This was meant to be and I'm, oh, so glad I found you  
Need you every day, got to have your love around me  
Baby, always stay

Come to me, this was meant to be  
Need you every day, baby, always stay  
I can't go back to living without you  
Without you, without you
