Baby, here I am  
I'm a girl on the scene  
I can give you what you want  
But you got to come home with me

I've got some good old loving  
And I got some more in store  
When I get through throwing it on you  
You got to come back for more

Girls and things will come by the dozen  
That ain't nothing but drugstore loving  
Pretty little thing  
Let me light your candle  
Cause, baby, I'm sure hard to handle now  
Yes, I am

Actions speak louder than words  
And I'm a girl with a great experience  
I know you got another girl  
But I can love you better than she can

Take my hand, don't be afraid  
I want to prove every word I say  
I'm advertising love for free  
So won't you place your ad with me

Girls and things will come by the dozen  
That ain't nothing but ten cent loving  
Groovy little thing  
Let me light your candle  
Cause, baby, I'm sure hard to handle now  
Yes, I am

Cause, baby, I'm sure hard to handle now  
Yes, I am

Hey, give it to me  
I got to have it  
Good old loving

Hey, said give it to me  
I got to have it  
Good old loving

Hey, said here I am  
Hey, I got to have it...
