Because The Night

Patti Smith Group

- (#13 1978)

Take me now baby here as I am

Hold me close, try and understand

Desire is hunger is the fire I breathe

Love is a banquet on which we feed

Come on now try and understand

The way I feel when I'm in your hands

Take my hand come undercover

They can't hurt you now,

Can't hurt you now, can't hurt you now

Because the night belongs to lovers

Because the night belongs to lust

Because the night belongs to lovers

Because the night belongs to us

Have I doubt when I'm alone

Love is a ring, the telephone

Love is an angel disguised as lust

Here in our bed until the morning comes

Come on now try and understand

The way I feel under your command
Take my hand as the sun descends
They can't touch you now,
Can't touch you now, can't touch you now
Because the night belongs to lovers
Because the night belongs to lust
Because the night belongs to lovers
Because the night belongs to us
With love we sleep
With doubt the vicious circle
Turns and burns
Without you I cannot live
Forgive, the yearning burning
I believe it's time, too real to feel
So touch me now, touch me now, touch me now
Because the night belongs to lovers
Because the night belongs to lust
Because the night belongs to lovers
Because the night belongs to us
Because tonight there are two lovers
If we believe in the night we trust
Because tonight there are two lovers
Because the night belongs to lust
Because the night belongs to lovers
Because the night belongs to us
