I must be growing up  
I'd like to run and hide  
There's something going on  
I'm all mixed up inside

Tonight, he held my hand  
And when our fingers touched  
I felt butterflies  
Funny little butterflies

I wonder if it shows  
This strange new way I feel  
This strange new feeling  
That I simply can't conceal

Tonight, he held me tight  
And all the while we danced  
I felt butterflies  
Funny little butterflies

I'm still a little scared  
It happens much too fast  
I'm still a little lost  
Between what's coming  
And what's past

I know it's not a dream  
It's lasted much too long  
Each time I close my eyes  
The feeling's still so strong

Tonight, I found it nice  
Just to be a girl  
I feel butterflies  
Funny little butterflies inside

(Those funny butterflies)  
(Those funny butterflies)...
